Referees Needed	
<p>Chili Soccer will hold an entry-level referee course in March or April. This will qualify you to referee in youth leagues in Chili and other towns. The requirements to become a USSF referee are that applicants must be at least 15 years of age, complete about 16 hours of classroom training, and pass an exam. The cost is estimated to be \$60 (includes class fee, USSF registration, insurance and local dues). There will also be several other entry courses offered in the Rochester area during winter and spring.</p>	
<p>Both youth and adult referees are needed. This is an excellent way for teenagers to make money during the summer. Referees have the ability to schedule days at their convenience, and may work tournaments on the weekends.</p>	
<p>If you are interested in becoming a referee, please return this form to: Jeff Bird</p>
